7. What is the legal framework?

This insurance contract shall be governed by the laws of England and Wales and, regarding individuals only, is a consumer insurance contract within the meaning of the Consumer Insurance (Disclosure and Representations) Act 2012 and the Insurance Act 2015.

When you purchased this *policy* you will have received a unique insurance activation code. The *policy* takes effect on the date and time you enter the unique insurance activation code into the Cowboy mobile application. This date and time will be included in your *policy schedule*. The *policy* will not commence and will not respond to any claim if you do not follow this activation procedure.

The expiry date of your contract is the expiry date stated in your *policy schedule*.]

9. What is the duration of this insurance contract?

The duration of this insurance contract is one year commencing on the start date specified in your *policy schedule* and expiring on the *expiry date* specified in the *policy schedule*.

This insurance contract may be renewed twice for two further periods of one year each. Qover will contact you at least 28 days prior to the *expiry date* of your current *policy* and, if renewal is offered, provide full details of your next premium and any changes to the terms and conditions.

If you do not wish to renew your *policy*, you must contact Qover by email to contact@qover.com. You should notify Qover no later than 10 days before the start date of your new *policy* (as stated in the renewal notice).

This insurance contract expires after two renewals at the end of the third year of insurance. We will inform you by registered letter a few weeks before the termination. This means that you are not insured beyond the end date of the insurance.

This insurance contract will also automatically terminate after settlement of a claim for *theft* or for irreparable *material damage* (total loss).

10. When can the insurance contract be cancelled?

Below you will find an overview of when the insurance contract can be terminated.

A. When can you (the *policyholder*) cancel the insurance contract?

1. You can revoke the insurance contract within 14 calendar days after you have received the *policy schedule*, these *general terms and conditions* and the pre-contractual information. This is possible without having to provide any reason by sending the withdrawal form by email to contact@qover.com. The withdrawal form will be emailed to you along with the *policy schedule* and these *general terms and conditions*. The cancellation will take effect immediately upon notification. You will receive a full refund of all *premium* paid provided that no claim has been made prior to cancellation.
2. If you are offered a renewal of the insurance contract, you may cancel the renewal by contacting Qover by email to contact@qover.com. You should notify Qover no later than 10 days before the start date of your new *policy* (as stated in the renewal notice) if you do not wish to renew *your policy*.
3. You can cancel the insurance contract after a claim. You can do this at the latest 15 days after payment or upon the refusal to pay compensation in respect of a claim. The insurance contract then ends 15 days after the date of notification. You must inform us of this by registered letter to Qover or email to contact@qover.com. If you choose to terminate the insurance contract, we will refund you part of the *premium* already paid in proportion to the unexpired term of the *policy*, provided no claim has been paid and no claims has been made which remains outstanding.

B. When can we cancel the insurance contract?

1. We may cancel the insurance contract in whole or in part at the *expiry date*, by not offering a renewal. We will notify you, by email, at least 28 days before the *expiry date* if we do not intend to offer a renewal.
2. We can terminate the insurance contract if the *premium* is not paid. If you do not pay the *premium*, we will send you a reminder. If you still do not pay, we will notify you by registered letter. If you do not pay the *premium* in full by the date set therein, the insurance contract will automatically terminate.
3. We may cancel the insurance contract if you notify us of a change of circumstances which we consider, in our sole discretion, to increase the risk of *theft* or *material damage* occurring. In such case, we will refund you part of the *premium* in proportion to the unexpired term of the *policy*, provided no claim has been made.

11. What happens to the insurance contract if you (the policyholder or insured person as a natural person) die?

The benefit of the insurance contract is transferred to your successors (the heirs). They can:

1. keep the contract; or
2. cancel the contract within 2 months after the death. The insurance contract will then end 1 month after we received the notification. To do this, you must notify us, in writing, at least 2 months before the due date by registered letter.

12. What happens to my insurance if I sell the *insured bike* that is linked to the insurance contract?

If you decide to sell your *bike*, you must notify us.

After all, the *insurance contract* is not transferable (except in the event of death). The insurance contract automatically terminates from the moment of notification, and we will reimburse you an amount of *premium* in proportion to the unexpired days remaining on the period of insurance.

13. How is your *premium* calculated?

The *premium* (the detail of the composition can be found in your *Policy schedule*) depends on the *insured value* of the *bike* and the extent of your cover as stated in your *policy schedule*.

Note: that if you are going to compare different insurance contracts, you will not only be able to compare the estimated costs and charges of the contracts, but you will also need to consider other elements such as the scope of cover, the amount of any excess and the exclusions that may apply.

14. Where should your main residence be for this insurance?

You (the policyholder, as a natural or legal person) must have your main residence in the UK to be able to take out this insurance. You must notify us if your main residence changes. If your situation changes such that your main residence is no longer in the UK, this policy will terminate automatically.

15. Transferability

This insurance contract is not transferable except in the event of death of the policyholder.

16. What do we mean with the insured *bike* in the context of this insurance?

The insured *bike* is the bike described in the *policy schedule*, in its original condition as supplied by the seller or manufacturer, and includes the *fixed original accessories* of the *bike* as supplied by the seller or manufacturer up to £100. Any technical changes made to the *bike* will automatically result in the cancellation of this *policy*

17. When can you benefit from this insurance?

19. How do we compensate the damage to the *insured bike*?

In case of repair:

If the *material damage* to the *insured bike* is repairable and economically justified, we will pay for such repair in full, and we will transfer this amount to your bank account after deduction of the excess specified in your *policy schedule*.

Repairs must be carried out by an *approved repairer*. A list of *approved repairers* can be found on Cowboy's website at <https://cowboy.com/pages/service-partners>. The *insured bike* must have been returned by you to the *approved repairer*.

In case of total loss:

If the damage to the *bike* is not repairable or if the *insured bike* has been stolen in its entirety and has not been found within 21 days of reporting the *theft* to the police, we offer the following:

- a compensation in the form of a voucher (voucher) valid for use in the seller's online store with a value equal to the *insured value* of the *insured bike* less the applicable excess; or, at our sole discretion
- a monetary value equal to the *insured value* of the *insured bike* after applying the excess.

By accepting compensation in the event of *theft*, you agree to transfer ownership of the stolen *bike* to the *insurer*. If the *insured bike* is found afterwards, it will remain the property of the *insurer*.

We consider an *insured bike* where the repair cost is higher than the economic value as an economic total loss and we reimburse such in accordance with the provisions in this section.

If compensation in respect of a claim for theft or total loss (irreparable material damage) is paid in the form of a sum of money (instead of a voucher), a depreciation of 1.5% per month is applied from the 13th month from the date of purchase of the *bike*.

When the *insurance intermediary* handles a claim you make under this policy they act as our authorised agents. This means that any valid claim you make with the *insurance intermediary* which is to be settled by a payment of compensation, is not deemed to have been settled until you have received the payment.

20. What is the *excess* amount in case of *theft* or *material damage*?

When compensating you for a claim, an excess of 10% will be applied to the *insured value* of the *bike* and all *fixed original accessories*, as stated on the *policy schedule*.

21. How is compensation paid in the event of bankruptcy of the seller?

In case of bankruptcy of the *seller*, we will transfer the compensation for a claim to your bank account after deduction of the applicable excess.

22. Subrogation

We will act within your rights and claims against any liable third party up to the amount of our expenses. Except in the event of malicious intent, we will not exercise recourse against your descendants, ascendants, spouse, lineal relatives, persons living with you under one roof, your guests, and the members of your household staff.

However, we can exercise recourse against these persons insofar as their liability is actually covered by insurance.

23. Time limit for making claims

A claim must be made as soon as possible after the *theft* or *material damage* occurring and in any event within 8 days of *you* becoming aware of the *theft* or *material damage*.

24. Rights of Third Parties

A person who is not a party to this policy has no right under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of this policy, but this does not affect any right or remedy of a third party which exists or is available apart from that Act.

For your information, the Contracts (Rights of Third Parties) Act 1999 allows a person who is not a party to a contract to be able to enforce that contract if the contract expressly allows him/her to or if the contract confers a benefit upon him/her. However, the Act will not be applied if the parties make it clear in the contract that the third party does not have the right to enforce it. For further guidance please see www.legislation.gov.uk or contact the Citizens Advice Bureau.

25. Financial Services Compensation Scheme

We are covered by the Financial Services Compensation Scheme. *You* may be entitled to compensation from the scheme if we are unable to meet our obligations to *you* under this policy. *You* can learn more about this scheme at <http://www.fscs.org.uk> by phoning 0800 678 1100 or 0207 741 4100 or by writing to the FSCS at 10th floor, Beaufort House, 15 St Botolph Street, London EC3A 7QU.

B. What are your obligations under this insurance contract

1. What obligations do you have to communicate the correct data and circumstances?

A. When entering into the insurance contract:

The *policy schedule* has been drawn up on the basis of *your* answers to the questions upon signing this insurance contract. Your answers are decisive for the assessment of the risk.

If *you* have purchased this *policy* at the same time as purchasing your *bike*, you must within 7 days of reception of your *bike*, activate the insurance with the unique insurance code you have received by email.

If *you* have purchased *this policy* after having received your *bike* (up to maximum 6 months after you received your *bike*):

- If this *policy* was purchased 7 days or less from the date the *bike* has been activated, *you* just need to activate the insurance with the unique insurance code you have received by email;
- If this *policy* was purchased more than 7 days from the date the *bike* has been activated and *you* have done a “successful” *trip* within the last 24 hours, *you* just need to activate the insurance with the unique insurance code you have received by email;
- If this *policy* was purchased more than 7 days from the date the *bike* has been activated and *you* have not done a “successful” *trip* within the last 24 hours, *you* will be asked to do a test ride prior to purchase the insurance. Once the test ride is validated, *you* will need to activate the insurance with the unique insurance code you have received by email.
-

Compliance with these obligations is a condition precedent to coverage under this *policy*. If you do not do this, we will not compensate you for any claim and we will cancel your insurance contract with immediate effect and refund the insurance premium paid.

B. During the term of the *insurance contract*:

You must notify *us* of any changes that may occur during the course of the insurance contract which may affect elements and statements contained in *your policy schedule*. If *you* change address, *you must inform us* of your new address.

2. What obligations do you have in terms of *premium* payment?

You are obliged to pay the *premiums* (including taxes and costs) by the *premium* due date specified in the invoice.
